

WEST VIRGINIA STATE POLICE DEATH, DISABILITY AND RETIREMENT FUND

The West Virginia State Police Death, Disability and Retirement Fund, commonly referred to as Plan A, was established for all state troopers on July 1, 1935. Chapter 15, Article 2 of the West Virginia Code establishes the plan provisions for Plan A. During the 1994 Legislative Session, the West Virginia Legislature enacted Chapter 15, Article 2A of the West Virginia Code that established a new retirement plan for all state troopers hired on or after March 12, 1994. That plan was entitled the West Virginia State Police Retirement System, now commonly referred to as Plan B. State troopers hired on or after March 12, 1994 are not eligible for membership in Plan A. Civilian employees of the West Virginia State Police are members of the Public Employees Retirement System (PERS).

Active members of Plan A contribute 9% of their total gross salary into the retirement plan for the member Normal Cost. The employer contributes an additional amount sufficient to fund the Plan benefits on an actuarially determined basis including both the employer Normal Cost plus amortizing the unfunded actuarial accrued liability through Fiscal Year 2025 (the ARC).

The State also contributes other monies to the system through arrest fees, accident report fees, criminal investigation reports, etc. Members of Plan A are not covered by Social Security or Workers' Compensation.

Please contact PEIA for further information.

Accrued leave cannot be divided and used for both service credit and PEIA coverage.
