

REQUEST FOR VERIFICATION OF COST FOR SERVICE CREDIT PURCHASE 2008 TDC to TRS Voluntary Transfer Election

I hereby request the Consolidated Public Retirement Board (CPRB) to verify my Teachers' Defined Contribution Retirement System (TDC) service and notify me of the actual amount owed to the Teachers' Retirement System (TRS) should I wish to purchase the additional 25% TDC service credit pursuant to WV Code §18-7D-6. By signing this document, I am under no obligation to purchase this service; however, if I choose to do so I acknowledge that payment in full must be received by the CPRB no later than June 30, 2009. I understand that in order to receive 100% service credit in the Teachers' Retirement System for service in the Teachers' Defined Contribution Retirement System, I must purchase the additional 25% service credit.
