   a. EMSRS - 11 members have applied for retirement effective January 2011, 8 of which are from Kanawha County. Also, during the past three years there have been no disabilities in the EMSRS Plan;
   b. The Public Safety Officer annual mailing is completed;
c. State Police Disability Experience Annual Report provided and sent to Governor Tomblin as required per statute;
d. TRS Annual Statements are being mailed out and the TRS Pension Press is behind Tab 2; and
e. School of Deaf and Blind - the Legislative Auditor is sending auditors to Romney to review contractual issues pertaining to service and retirement participation eligibility.

6. CPRB staff is currently working on Plans Project/JCQ’s and detailing their job descriptions.

7. Acting Director Miller reported on the Computer Project and stated the RFP has been sent over to the Division of Purchasing and Ms. Cindy Boyd is working on proper formatting. Ms. Barbara Haddad, IT Manager, is working on the Data Cleansing project.

e. During Interims this past year, the Joint Pension Committee approved a severance package for West Liberty University. A letter was sent yesterday to President Robin Capeheart, with a copy to Joint Pensions Committee, stating West Liberty University owes the Teachers' Retirement Plan $121,250.00 if paid in full by January 1, 2011. CPRB entered into a Memorandum of Understanding (MOU) with West Liberty University in August 2010 in order for the Joint Pension Committee to approve the severance plan. Mr. Kris Morton with Great West Retirement Services stated the TDC plan investments are meeting and/or exceeding benchmarks.

**Tab #4: 2010 Financial Audit (Gibbons & Kawash)**

Mr. John Galloway from Gibbons & Kawash reviewed with the Board the fiscal year 2010 financial audit of the CPRB. Mr. Galloway noted Gibbons & Kawash expressed an unqualified opinion, which means the financial statements do present fairly. Mr. Galloway reported no significant audit adjustments and there were only some very minor inconsequential differences everyone agreed were not even close to being material. Last year, there was a finding relating to accounts payable in the internal service fund, and that condition has been resolved and there was not a repeat finding. This year, one control deficiency was found. Due to staffing problems during the year, there was a delay in the TDC reconciliation process for the TDC bank account and staff got behind about six months. He noted that staff has caught up the reconciliations and were current as of the end of September. He stated there was great cooperation with all of the staff. Chairman
asked the Board if there were any questions for Mr. Galloway. The fiscal year 2010 financial audit is behind Tab #4.
